2025-HQFO-01865	1/5/2025	(b)(6)	IV/A	<p>Pursuant to the Freedom of Information Act, I hereby request the following records:</p> <ol style="list-style-type: none"> <li>1. All application materials submitted by Immigration Judge Abby Meyer in connection with her appointment as a U.S. immigration judge, including cover letters, resumes, and any documents addressing quality ranking factors.</li> <li>2. A redacted copy of all remands for Immigration Judge Abby Meyer ordered by the Board of Immigration Appeals</li> <li>3. Copies of all judicial complaints filed with Office of IJ Conduct and Professionalism of the Executive Office for Immigration Review concerning Immigration Judge Abby Meyer.</li> </ol> <p>Please search all locations and systems likely to have responsive records, regardless of format, medium, or physical characteristics. Our request for records includes any attachments to those records or other materials enclosed with those records when they were previously transmitted. To the extent that an email is responsive to our request, our request includes all prior messages sent or received in that email chain, as well as any attachments to the email.</p> <p>Please search all relevant records or systems containing records regarding agency business. Do not exclude records regarding agency business contained in files, email accounts, or devices in the personal custody of your officials, such as personal email accounts or text messages. Records of official business conducted using unofficial systems or stored outside of official files are subject to the Federal Records Act and FOIA.</p> <p>It is not adequate to rely on policies and procedures that require officials to move such information to official systems within a certain period of time; I retain my right to records contained in those files even if the material has not yet been moved to official systems or if officials have, by intent or through negligence, failed to meet their obligations.</p> <p>Please use all tools available to your agency to conduct a complete and efficient search for potentially responsive records. Agencies are subject to governmentwide requirements to manage agency information electronically, and many agencies have adopted the National Archives and Records Administration (NARA) Capstone program, or similar policies. These systems provide options for searching emails and other electronic records in a manner that is reasonably likely to be more complete than just searching individual custodian files. For example, a custodian may have deleted a responsive email from his or her email program, but your agency's archiving tools may capture that email under Capstone. At the same time, custodian searches are still necessary; agencies may not have direct access to files stored in .PST files, outside of network drives, in paper format, or in personal email accounts.</p>

2025-HQFO-01901	1/10/2025	(b)(6)		<p>Hello,</p> <p>I've requested full disclosure regarding my identity and background from the international adoption that occurred in 1977-78 to Dayton Ohio from Bogota Colombia. Records have been researched and provided many years ago and it is now come to my attention that these records were destroyed accidentally while in storage. It is critical that I recieve another set of these documents as they are vital to my historical background. As a naturalized citizen who grew into adulthood with the lack of access to my background this has caused much disappointment and distraught into my mature years. Accurate information with consistency in providing duplication of the original records sent is sought in this additional information request I am hopeful that this request will be honored. Thank you.</p>

2025-HQFO-02171	1/14/2025	(b)(6)	<p>Subject: FOIA Appeal for Request #2025-IAFO-00143</p> <p>Dear FOIA Appeals Officer,</p> <p>I am writing to appeal the decision made in response to my FOIA request (#2025-IAFO-00143) to the DHS Office of Intelligence and Analysis (I&amp;A). The response issued a Glomar statement, denying the request under FOIA Exemptions 3, 7(E), 6, and 7(C).</p> <p>This determination is overly broad and does not adequately apply the foreseeable harm standard required under FOIA.</p> <p>Improper Invocation of Exemption 3:</p> <p>Exemption 3 protects intelligence sources and methods; however, it should not be applied to all records. Procedural or administrative records related to monitoring or investigations are unlikely to reveal sensitive methods and should be disclosed.</p> <p>Narrow Scope of Exemption 7(E):</p> <p>Exemption 7(E) is intended to protect sensitive law enforcement techniques. It should not bar disclosure of general procedural records or non-sensitive data.</p> <p>Challenge to Glomar Response:</p> <p>I request that the agency confirm the existence of responsive records, as this would not inherently harm national security.</p> <p>Foreseeable Harm Standard:</p> <p>The agency has not adequately demonstrated how disclosure of the requested records would foreseeably harm the protected interests under FOIA.</p> <p>I request that DHS reexamine the application of exemptions and conduct a supplemental search for non-exempt, releasable records.</p> <p>If further clarification is required, contact me at (b)(6)</p> <p>Thank you for your attention to this matter.</p> <p>Sincerely, (b)(6)</p>

I have also attached the required Certificate of Identity for verification. Thankyou for your attention in this matter.</p> <p>Warm Regards, (b)(6)</p> <p>Dear FOIA Officer,</p> <p>Pursuant to the Freedom of Information Act ("FOIA" or "the Act"), 5 U.S.C. § 552, I submit this request to the United States Department of Homeland Security ("DHS") for records as described herein.</p> <p>1. Background</p> <p>The following background is for informational purposes only and is not intended to limit the scope of this request:</p> <p>On or around April 28 to 30, 2019, a Homeland Security Investigations ("HSI") agent revealed at a public event that the DHS, United States Immigration and Customs Enforcement ("ICE"), and HSI had determined the identities of and made contact with the creators of bitcoin. Bitcoin is an electronic currency that was publicly introduced in October 2008, launched in January 2009, and promoted until December 2010 by accounts operating online under the pseudonymous alias Satoshi Nakamoto and its variations ("Satoshi" or "the Satoshi members").<sup>1</sup> Speaking at a conference hosted annually in Florida by OffshoreAlert, a website owned by Miami-based media company KYC News, Inc. that provides news, research, and data about offshore and white-collar finance, Rana Saoud, then an Assistant Special Agent in Charge for HSI, confirmed that the DHS, ICE, and HSI had discussed organizing trips to interview the Satoshi members, and that multiple agents enlisted by HSI had talked about bitcoin with the Satoshi members during the trips.<sup>2</sup></p> <p>Specifically, (b)(6) said, an HSI agent proposed meeting with Satoshi after the federal agencies seized bitcoin from Silk Road and wanted to figure out how cryptocurrencies could be exploited by other subjects of interest, like Black Market Reloaded. See Excerpt Referencing Satoshi Nakamoto From Transcript of Rana Saoud OffshoreAlert Talk (attached as Exhibit A) (stating, "So one of the things that we really started looking at apart from the criminal exploitation is what are the challenges of this cryptocurrency that's out there? And we thought, hey, we looked at bitcoin was the most prevalent. At that point, we seized quite a bit of it, millions of dollars worth, under the Silk Road investigation. So one of our agents who started looking at another online marketplace through the deep web, it was called Black Market Reloaded. They were sending weapons through packages, ordering them on the dark web. And he was a really, really smart, forward-leaning agent. And he goes, I want to go interview Satoshi</p>

2025-HQFO-02211	1/17/2025	(b)(6)		<p>I, (b)(6) am submitting this request under the Freedom of Information Act (FOIA) in order to obtain information about any records or databases in which my name may be listed. On 01/09/2025, I was identified as a "Code Black" from a Security guard as I entered at St. Lukes Cornwall Hospital, located in Newburgh, NY. This designation, to my understanding, typically refers to a threat or potential security emergency. This incident may have led me to believe that my name is flagged by government agencies or included in any watch lists or databases. As a result, I am requesting any records related to my identification in security-related databases, including but not limited to the Terrorist Screening Database (TSDB), No-Fly List, or any other lists that may affect my ability to travel, work, or live without undue government surveillance. I am particularly concerned because I have not received any formal notification or explanation any relevant authorities about why I was designated as "Code Black" or whether it resulted in any further monitoring by government agencies. I have no criminal record, and to my knowledge, I have not been involved in any activities that would warrant such a designation. Please provide me with any records, documents, or information held by your agency that pertains to my name, date of birth, or any possible investigations, surveillance, or actions that have been taken against me. I would appreciate your prompt attention to this matter and look forward to your response. You can contact me at (b)(6) for any follow-up or clarification regarding this request.</p>

2025-HQFO-02238	1/20/2025	(b)(6)		<p>Hello, I made a request last year, upon which i was asked to provide an Apostille, which I will include in this application. My original application ID was: (b)(6) and my control number: (b)(6) since it now has been Ten years since I left toe US ( not counting the one trip to visit in 2016) I would like to know where I stand. here is my original request: I am seeking documents to resolve when the U.S. government determined that I overstayed my authorized status in the United States by 365 days. • As a minor, I was previously on an R-2 visa pursuant to my father's R-1 status. After which my father had applied for a green card for himself and his dependents (me, my mother, and my sister) which was eventually denied a or a lengthy appeal process. During this process I turned 21 years old. • In 2016 I traveled to the US and was allowed entry (after having being pulled aside for questioning in regards to my previous visa history) however for subsequent applications, I have been refused an ESTA and a visitor visa for ineligibility under 212(a)(9)(B)(i)(II), but I am unaware of anything in my immigration history that has caused me to be ineligible. I require these FOIA documents to try and determine this so I may seek a waiver. I would like to acquire the following : • Records of apprehension, detention, deportation, legal international travel, illegal attempted entry, expedited removal, voluntary removal, or inspections by Customs and Border Protection (CBP) • Visa Records • Immigration court records (if an option) • USCIS records.</p>

2025-HQFO-02220	1/20/2025	(b)(6)	Self	<p>U.S. Department of Homeland Security Headquarters Office of Security/Privacy Officer Washington, DC</p> <p>Re: (b)(6) Background Investigation D.O.B: (b)(6) SS#: (b)(6)</p> <p>October 29, 2024</p> <p>Dear Privacy Officer/Office of Security Staff:</p> <p>The purpose of this letter is to inquire about what specifically necessitated my background investigation to be continued beyond the length of time the offering office could wait: so much so that they rescinded their offer for Announcement ST-12347164-24-CR50? I am inquiring because, unless I know what the issues were/are that necessitated a rescinding of the offer, I cannot proactively address them as I apply for future federal government jobs.</p> <p>I applied for and on May 15, 2024, was offered a position with the U.S. Department of Homeland Security (DHS) as an Environmental Protection Specialist. The offer was rescinded on October 28, 2024. While I understand the offer of employment was conditional, I am perplexed about the processes and timeframe that the U.S. Department of Homeland Security (DHS) takes to complete this process and would like to inquire into what transpired over the last five months that would necessitate that the offer be rescinded.</p> <p>While I understand that the DHS does extremely thorough and comprehensive background investigations, and this position was a time critical position to fill, I am really bewildered by what could take more than 5 months to resolve or investigate into my background. Is your office able to provide a detailed explanation? I have 1 felony conviction, and I am not sure how that 20 year old conviction faired in the extension time of the investigation. Are you able to tell me? Are you able to tell me how close I was or was not to having the background investigation complete?</p> <p>I am wondering if in this past 5-month process, if the Department of Homeland Security's investigation team has thus far made any determination on whether or not, I'd be forever excluded from future employment with the DHS, and if so, what specifically would exclude me?</p> <p>I would like to know where DHS was in the process of my investigation (i.e., 1/2 way thru with my investigation, 3/4th of the way thru, or if the agency had determined that my investigation would take 1 full year, for the position I applied?</p>

First, the requested information would inform the public about who the incoming administration has put in positions of power to lead vital government agencies in its first days in office. Second, there is a substantial public interest in understanding the Trump Administration's actions in seeking to remove civil service protections from career civil servants, and the responsive records will indicate the extent to which the administration has initially taken—or not taken—personnel actions affecting career civil servants. Consequently, DFF expects that your agency will produce the requested records with few or no exemption claims, though DFF would not object to the redaction of sensitive personal information like social security numbers or dates of birth.</p>

Additionally, I am not aware of any formal decision regarding my case. The only information I have is that, according to what has been communicated to me, the judge supposedly dismissed the case. However, upon reviewing the letters attached to that decision, I found that the judge's decision was overturned, and a deportation order was upheld, without me being informed about the progress of the case, hearing dates, or any other related details. Therefore, I would like to know the current status of my case with the courts, if the case was indeed dismissed, and if so, what the final decision was regarding my deportation and the reasons for that decision.</p>

2025-HQFO-02288	1/27/2025	(b)(6)		<p>Subject: Request for all Records and Clarification Regarding Terrorism Watch List Status</p> <p>I am writing to formally request my full record and clarification regarding my inclusion on the Terrorism Watch List. As a law enforcement officer dedicated to serving and protecting the public, I take my responsibilities seriously, and it is imperative for me to understand the basis for this designation. On August 21, 2024, while traveling to Iraq for a religious pilgrimage, I encountered an issue with my TSA PreCheck status, which was deemed invalid. Consequently, I experienced a delay of approximately one hour while I awaited clearance for my boarding pass. Additionally, I was subjected to a secondary search by TSA personnel. Upon my return on August 27, 2024, I was unexpectedly escorted by the TIRT for questioning and further search procedures. This experience was both concerning and inconvenient. Furthermore, on January 27, 2025, while attempting to travel to the Dominican Republic with my family, we were required to wait for two hours to clear our boarding passes, ultimately resulting in our inability to board our flight. I have reached out to the port director regarding these incidents, and I was advised to file a Freedom of Information Act (FOIA) request to seek resolution on this matter. I would appreciate any assistance or guidance you could provide in expediting this process. Thank you for your attention to this important issue. I look forward to your prompt response.</p> <p>Sincerely, (b)(6)</p>

2025-HQFO-02310	1/28/2025	(b)(6)	Portland Public Schools	<p>Hello, I and my school were targeted in May of 2023 at Atkinson Elementary in Portland Public Schools due to throwing a Pride event. I was personally targeted, doxxed, and the district has requested extra surveillance from the Portland Police Bureau. I was told that during the situation in 2023 that the FBI and Homeland Security had been involved. I was not the person who had reached out to PPB for support, or to communicate with any extra security entities involved. The reason I am seeking out information about this situation, if there is any, is because I am a small-business owner and am trying to get my personal address off of my business registration, which is public record. The work that I do in my small business is the same work I got doxxed for, and I am just needing documentation to help me get it removed for my own safety. If there is information anywhere that I can get, I would be very grateful.</p>

2025-HQFO-02390	2/4/2025	Ditri, Antonio	Saint Joseph's University	<p>I am writing to request records under the Freedom of Information Act (5 U.S.C. § 552). I am requesting access to the agency's current policies on prior drug use as they relate to employment and eligibility for positions classified under the 1811 federal job series. More specifically, I would like to know how long since the last use of an illegal substance has allowed an applicant to be still considered for employment.</p> <p>I had previously emailed the DHS Intelligence and Analysis Office and they redirected me to the HQ Privacy Office. This request is part of a research project I am conducting to analyze the impact of federal policies on hiring practices, particularly in law enforcement and related fields. I respectfully request a waiver of fees associated with this request. As this information is sought for academic research purposes, it is intended to significantly contribute to the public's understanding of government policies without any commercial interest on my part. Additionally, this information will be shared in educational contexts to foster informed discussions.</p> <p>If you have any questions or require further clarification, please do not hesitate to contact me at (b)(6). I look forward to your response.</p> <p>Thank you for your time and assistance.</p> <p>Sincerely,</p> <p>Antonio Ditri (b)(6)</p>

If any records are withheld in whole or in part, please provide a detailed explanation of the exemptions used and release all segregable portions of the records. I am requesting a fee waiver as this request is in the public interest and pertains to my personal information. Please provide all responsive records in electronic format (PDF or other digital format) and send them via email or USB/CD if necessary. Thank you for your assistance. Sincerely, (b)(6)</p>

2025-HQFO-02383	2/4/2025	Joe Mahr	Chicago Tribune	<p>This request is related to data created and maintained by DHS' Office of Homeland Security Statistics. My assumption is that this FOIA office has jurisdiction over this FOIA. If that is not true, please direct me to the proper FOIA officer. Thank you.</p> <p>Please provide your agency's most recent cleaned, non statistical (incident-based) dataset of ICE detentions, capturing specific metrics of each detention, from 2010 to present (or as far back as can be reasonably extracted). I am seeking this data extraction in a commonly accepted, non-image based, text format, such as .csv.</p> <p>For reference, an OHSS webpage – <a href="https://ohss.dhs.gov/khsm/ice-detentions">https://ohss.dhs.gov/khsm/ice-detentions</a> – describes how ICE extracts book-in and book-out data from the Enforcement Integrated Database using the ICE Integrated Decision Support (IIDS) System Data Mart (DSSDM) reporting system. ICE uploads the data to the CBP Unified Immigration Portal (UIP) monthly. OHSS then downloads the data (as csv's) and cleans the data to de-duplicate book-in and book-out data while cleaning additional fields.</p> <p>That produces, for OHSS, a cleaned dataset in which each row contains information on each book-in and/or book-out incident. It is that dataset that this request seeks, in a .csv format (or other commonly accepted, delimited, text-based format). I am seeking all fields of non-exempt data, which should include any field that does not include personally identifiable information (such as a name field). My assumption is that there are at least a dozen, if not two or three dozen, fields of data that would be releasable.</p> <p>Please note that I am not seeking any statistical data that OHSS generates from this dataset. That appears to already be posted to OHSS' website. Again, this request seeks the dataset of cleaned, incident-based data that OHSS uses to generate that statistical data.</p> <p>Thank you!</p>

2025-HQFO-02409	2/6/2025	(b)(6)		<p>Dear FOIA Office Staff,</p> <p>Hope this email finds you well. My name is (b)(6), and I sincerely appreciate you taking the time to read my email. I am currently in urgent need of your help to query important records related to me, which are crucial for my US business travel visa application.</p> <p>I started pursuing my Master of Business Administration (MBA) at the University of Wisconsin - La Crosse in May 2007. During my time there, I had a serious misunderstanding with my roommate, which led to me missing my final exams. Now, when the US visa officer is reviewing my business travel visa application, they have specifically asked about the nature of this incident and the possible "charges" involved. However, as so much time has passed, I not only have no paper documents left, but I am also unclear about many details of the incident, especially regarding whether there were any "charges" and what the specific "charge" content was.</p> <p>After extensive research, I learned that according to the Freedom of Information Act (FOIA), I have the right to apply for access to records related to me. Therefore, I sincerely hope that your office can assist me in querying all the detailed records related to this incident, especially the part involving possible "charges". These records are of vital importance for me to successfully complete the visa application process. Only by providing accurate and complete information can I clearly explain the whole picture of the incident to the visa officer and avoid the rejection of my visa application due to lack of information or ambiguity.</p> <p>To facilitate your query, I provide the following personal information:</p> <p>Name: (b)(6)</p> <p>(b)(6)</p> <p>(b)(6)</p> <p>(b)(6)</p> <p>If you need me to provide any other information or documents to assist with the query during the process, please feel free to contact me. I understand that you are busy, and I would be extremely grateful if you could process my request as soon as possible at your convenience.</p> <p>Thank you again for your support and help. I am eagerly looking forward to your reply.</p>

2025-HQFO-02447	2/10/2025	(b)(6)	<p>There is one thing that has been bothering me for more than five years. Almost every year when I return to the U.S. from the U.S. to visit relatives in Taiwan, I am asked to go to a different office to be re-examined when I enter the country. After waiting for some time, the staff would just look at my U.S. passport and ask, "Are you (b)(6)?" I confirmed it and was let go. In the past two years, I have tried to ask the Customs and Excise Department what the reason is. Every time, I had to keep waiting for my family members who were traveling with me and my family members who picked me up from the airport because of the repetition of the same thing. But the answer I got was: we are not sure, just that the computer system popped up and we need to reconfirm!</p> <p>I hope you can solve this problem. I hope I won't have this kind of trouble in the future, thank you for your help!</p>

2025-HQFO-02459	2/11/2025	Jonathan Lee	Adalytics Research, LLC	<p>On January 23, 2025, Adalytics Research, LLC ("Adalytics" or "we"), a Maryland limited liability company, informed the Inspector General of the Department of Homeland Security ("DHS" or the "Department") that in the course of our work we observed advertisements for the Department's "Blue Campaign" placed adjacent to illegal "child sexual abuse material" ("CSAM"). Adalytics is a digital forensics firm serving brand advertisers in the digital advertising industry, where we help advertisers ensure that their ads are served to real human audiences on high quality media environments.</p> <p>With respect to this observation, Adalytics is hereby requesting pursuant to the Freedom of Information Act ("FOIA") all advertising "placement reports" related to the Department of Homeland Security's ("DHS") "Blue Campaign" on the websites with the domain names www.ibb.co and www.imgb.co from the beginning of the Blue Campaign through February 10, 2025. Placement reports are provided periodically from agencies to advertisers providing advertisers (in this case the DHS) with the details of where and when digital advertisements were displayed on behalf of the client.</p> <p>To comply with this request, the DHS will need to conduct a thorough interrogation of its digital advertising supply chain. During the relevant period, the Blue Campaign was managed by an agency called the "Digital Communications Group, LLC" d/b/a "DCG Communications." Adalytics does not know whether DCG Communications bears any responsibility for the ads placed adjacent to the illegal content. Similarly, Adalytics does not know if DCG Communications was the only agency responsible for the Blue Campaign. It is quite possible that another agency was responsible for the ad placements. Adalytics can confirm that at least some of the ads were placed through Google Display and Video 360 ("DV360").</p> <p>Finally, Adalytics requests: 1) expedited treatment of our request, and 2) exemption from the customary charges associated with this request. This request is related to the public/industry interest in the way that digital advertising is provided to the Government.</p> <p>The Chair and Ranking Member of the Senate Judiciary Committee have initiated inquiries of government agencies and industry participants on this matter. Adalytics's public report on this matter is available on our blog, and has been reported by the BBC, AdExchanger, AdWeek, Digiday, Marketing Brew, and The Current.</p> <p>Thank you in advance for considering our request. Please contact me directly if you or the Department has any questions related to our request.</p> <p>Sincerely,</p> <p></p> <p>Jonathan Lee General Counsel <i>Adalytics Research, LLC</i></p>

2025-HQFO-02450	2/11/2025	Skye Perryman	Democracy Forward Foundation	<p>Democracy Forward Foundation ("DFF") requests that your agency produce the following within twenty (20) business days:</p> <p>All SF-50 Notifications for Personnel Action or SF-52 Requests for Personnel Action which were issued, sent, or signed from January 20, 2025 through the date of the search for any political appointees or special government employees.</p> <p>DFF expects that this request for readily identifiable form documents issued over the course of a short period of time can be assigned to the Simple processing track and produced expeditiously, in addition to receiving expedited processing.</p> <p>All appointment memoranda and removal memoranda appointing or removing individuals to or from positions within the agency issued or signed from January 20, 2025, until the date of the search.</p> <p>Any document compiling or reflecting the incoming personnel actions to be taken by the incoming Trump Administration upon assumption of office, such as a list or spreadsheet designating individuals for appointment, assignment, removal, or demotion. Please include documents that were created or came into the agency's possession from November 7, 2024 until the date of the search.</p> <p>DFF recognizes that the above request seeks personnel records; however, most privacy interests implicated by this narrow subset of records are significantly outweighed by the public interest in disclosure. First, the requested information would inform the public about who the new administration has put in positions of power to lead vital government agencies in its first days in office. Second, there is a substantial public interest in understanding the Trump Administration's actions in seeking to remove civil service protections from career civil servants, and the responsive records will indicate the extent to which the administration has initially taken—or not taken—personnel actions affecting career civil servants. Consequently, DFF expects that your agency will produce the requested records with few or no exemption claims, though DFF would not object to the redaction of sensitive personal information like social security numbers or dates of birth.</p>

2025-HQFO-02473	2/13/2025	(b)(6)		<p>Dear Records Access Officer,</p> <p>I previously contacted your office, seeking information concerning the inclusion of me on a terrorist watch list ostensibly related to my attempts to hold my government accountable for facilitating title theft of my land/property/houses. The response from your office was to stonewall me, citing exemption from Privacy Act laws and suggesting appeal. I am not interested in an appeals process, which I regard as an act of fraud, waste, or abuse by you when you can simply honor my request and produce the sought after documentation. I have waited until now to re-submit my records request because I have every expectation that the Trump Administration will act with transparency and integrity as mandated by the American People and as promised. I have a compelling interest and need to stop the unlawful targeting of me, derived from inclusion in the TSDB. This Records Request pursuant to the Freedom of Information Act seeks:</p> <p>a) any and all records and/or documents that have been prepared, received, transmitted, collected and/or maintained by the DHS, FBI, or USDOJ, concerning me and/or my activities;</p> <p>b) the Terrorist Screening Database (TSDB) list for the past twenty five (25) years;</p> <p>c) a list of all the agencies, entities, private corporations or individuals with whom you have shared the TSDB during the past twenty five (25) years; and</p> <p>d) the Standard Nomination Form or original information that was used to place my name(s) on the TSDB.</p> <p>I also request that you remove my name and any aliases from any and all "Watchlists" under your agency's control. Should there be a specific procedure to go about the removal of my name from all of the Watchlists, I request the forms, regulations and procedures associated to such request.</p> <p>I do not waive my right to appeal any objection to the production of documents listed above under (b) and (c), while I agree to obtain for the time being the name in each of the lists above from my records for myself.</p> <p>Please see attached request (DHS-25-0295)</p>

2025-HQFO-02552	2/19/2025	James Fitzpatrick	Center to Advance Security in America	<p>This letter constitutes a request under the Federal Freedom of Information Act (FOIA), 5 U.S.C. § 552. Agency officials may possess great authority over processes without sufficient oversight or checks on their decision-making. Therefore, it is imperative that agency officials uphold high ethical standards. Recent reports show that Claire Trickler-McNulty, Assistant Director at ICE'S Office of Immigration Program Evaluation, oversees "requests for contract approvals involving new detention facilities and the Alternatives to Detention (ATD) program or a decision to terminate contracts" without creating new bureaucracy. Prior to taking on this role, Trickler-McNulty worked at a migrant-sympathetic organization that advocates for ATD.</p> <p>In the interest of government transparency, CASA requests the following information to evaluate any potential conflicts of interest or undue influence Trickler-McNulty has within ICE.</p> <p><b>RECORDS REQUEST:</b></p> <p>CASA requests the following documents: All calendar entries and meeting records for Claire Trickler-McNulty. The timeline for the records requested is from January 20, 2021, to the date the search.</p> <p>Records" means information and documents of any kind, including: documents (handwritten, typed, electronic, or otherwise produced, reproduced, or stored), letters, emails (including attachments), facsimiles, memoranda, correspondence, notes, databases, drawings, diagrams, maps, graphs, charts, photographs, minutes of meetings, calendar entries, meeting agendas, summaries of telephone conversations, notes and summaries of interviews, electronic and magnetic recordings of meetings, virtual meeting records (including meeting requests, attendees, attached documents, and chats from software such as Zoom, Microsoft Teams, or Webex), and any other compilation of data from which information can be obtained. The term "records" also includes any personal email messages, telephone voice mails or text messages, and internet 'chat' or social media messages. It also includes any attachments to such documents or information. We prefer to receive the report and all records in electronic format. To the extent practicable, we seek electronic copies of the records in native file format, or, if that is not practicable, with full metadata for all fields. 5 U.S.C. § 552(a)(3)(B) (agency shall provide records in any form or format if the record is readily reproducible in that form or format).</p> <p>The Center to Advance Security in America (CASA) is a nonpartisan organization dedicated to improving the safety and security of the American people. CASA educates and informs the American people about the actions of their government and its officials that impact their safety; peace and security; democracy, civil rights, and civil liberties; and privacy.</p> <p>CASA is focused on public education, and all materials and information requested will be disseminated to the public for this purpose. Thus, the disclosure of the requested records would not be to our primary benefit but would be to the primary benefit of the general public. Further, these records focus on an issue of widespread public interest, with potentially vital national security implications: whether the U.S. government is appropriately using taxpayer resources to keep Americans safe. For these reasons, we request a fee waiver pursuant to the FOIA Act, which provides for fee waivers when: (1) "disclosure of the requested information is in the public interest because it is likely to contribute significantly to public understanding of the operations or activities of the government"; and (2) disclosure "is not primarily in the commercial interest of the requester." 5 U.S.C. § 552(a)(4)(A)(iii); see also 40 C.F.R. § 2.107(i)(1).</p> <p>Moreover, CASA is a representative of the news media for purposes of FOIA. See 5 U.S.C. § 552(a)(4)(A)(ii); see also Cause of Action v. Federal Trade Commission, 700 F.3d 1108, 1120 (D.C. Cir. 2015). Thus, CASA is entitled to a fee waiver under FOIA pursuant to 5 U.S.C. § 552(a)(4)(A)(ii).</p>

Tax Analysts has its principal place of business in Falls Church, VA. This is a request under the Freedom of Information Act ("FOIA"), 5 U.S.C. § 552. Tax Analysts hereby requests a copy of the following records without first inspecting them:</p> <p>All emails to and from Internal Revenue Service employees from February 24, 2025, through March 11, 2025, regarding DHS's request for addresses of 700,000 people believed to be in the U.S. illegally, as reported by the Washington Post:</p> <p><a href="https://www.washingtonpost.com/business/2025/02/28/immigration-enforcement-trump-administration-irs/">https://www.washingtonpost.com/business/2025/02/28/immigration-enforcement-trump-administration-irs/</a></p> <p>If you claim that any part of the records is exempt from release, please provide a detailed reason so we may assess the propriety of your claim. Please release all reasonably segregable portions of the records, indicate the amount of information deleted, and – on each deletion – cite the claimed FOIA exemption. Please produce the records on a rolling basis.</p> <p>Please waive all fees, as has routinely occurred in prior situations where Tax Analysts has requested records under the FOIA. Release of the information is in the public interest because it will contribute significantly to public understanding of Treasury's policies and procedures. Tax Analysts is gathering information on a matter of public interest that will contribute to the public's understanding of tax policy and tax administration. The records covered by this request are being sought to create distinct works to disseminate to the general public, both in printed and electronic form, through Tax Notes, Tax Notes Today, and possibly other periodicals published by Tax Analysts.</p> <p>Tax Analysts is a representative of the news media within the meaning of the FOIA and thus cannot be charged for any search time. For the same reason, Tax Analysts cannot be charged for the direct cost of duplication of the first 1,000 pages. However, Tax Analysts is willing to pay up to \$25 if the fee waiver is denied and responsive records exceed 1,000 pages.</p> <p>I request expedited processing because I am primarily engaged in disseminating information" on "a matter of current exigency to the American public." 2025-HQFO-02863	3/11/2025	(b)(6)		<p>I have applied for the Global Entry. I filled out the application and had my interview. After this I was denied. I have no criminal background and knew that I must have missed something in my application. When I went to redo my application I realized that I did not put my middle name in the form. It is on my passport. When I went to do this correction the form would not allow me to. I show other documents stating that my middle name is my middle name. I would also do anything else to get this fixed since I will be traveling out of the country this fall. Thank you</p>

2025-HQFO-02893	3/14/2025	(b)(6)		<p>Freedom of Information Act Request Letter to Homeland Security Gloria Cheeks 2707 Martin Luther King Jr. AVE SE Mail Stop 0655 Washington, DC 20528-0655 E-mail foia@hq.dhs.gov Department of Homeland Security Office of the Secretary Washington D.C. 20528 Subject: Freedom of Information Act Request. Reply to more specific information Request number 2024-HQFO-01652 Dear DHS FOIA, Privacy Office I am writing to bring to your attention a matter of potential significance regarding the suspicious person watchlist. I am sending in this more specific information you requested in addition to previous letter mailed to you. Based on our research and analysis, it is highly likely that the holder and creator of this watchlist where my name is included is the Kansas Highway Patrol. In addition to the Kansas Highway Patrol, we believe that the FBI's National Crime Information Center (NCIC) may also be involved in the compilation and dissemination of this watchlist. Our investigation suggests that the Kansas Highway Patrol may have shared information with the Kansas Department of Homeland Security, as well as with Homeland Security Investigations. Given the sensitive nature of this watchlist and its implications for homeland security, we urge you to further investigate the role of the Kansas Highway Patrol, NCIC, Kansas Department of Homeland Security, Homeland Security Investigations in its possible listing my name in their watchlists. I am requesting any records or documents pertaining to (b)(6) inclusion on any watchlist within DHS's jurisdiction. This includes but is not limited to surveillance reports, communication intercepts, and any other relevant information. Again, I believe this is some kind of misunderstanding or misinformation that could have led to the inclusion of my name. I appreciate your attention to this matter and stand ready to assist in any further inquiries or investigations that may be necessary. Sincerely, (b)(6)</p> <p>(b)(6) Freedom of Information Act Request Letter to Homeland Security (b)(6) (b)(6) June 11, 2024 Department of Homeland Security Office of the Secretary Washington, D.C. 20528 Subject: Freedom of Information Act Request Dear Sir/Madam, I am writing to request information under the Freedom of Information Act (5 U.S.C. 552). I am seeking clarification as to why my name may appear on a "See Something Say Something" list for suspicious persons within the Department of Homeland Security. I believe that there may have been a misunderstanding or misinformation that led to my inclusion on this list. As a Registered Nurse who frequently travels to different areas and cities due to the nature of my work, I understand that my travel patterns may appear unusual or raise suspicion. However, I would like to emphasize that these travels are solely related to my professional responsibilities and do not involve any illicit or suspicious activities. Furthermore, I am concerned that being a minority individual may have played a role in triggering a report against me. It is disheartening to note that there is a disproportionate number of minorities who are unjustly reported for engaging in suspicious activities when they are simply going about their daily lives. I am requesting access to any records, reports, or documentation that pertain to the investigation or monitoring of my activities by the Department of Homeland Security. Specifically, I would like to review any information that led to my inclusion on the aforementioned list and ascertain whether due process was followed in assessing the validity of such concerns. I kindly request expedited processing of this request due to the sensitive nature of the issue at hand. Should there be any fees associated with fulfilling this request, please inform me in advance. Thank you for your attention to this matter. I look forward to your prompt response within the statutory time frame as stipulated by law. Sincerely, (b)(6) Perjury Statement Letter to Department of Homeland Security (b)(6) June 11, 2024</p> <p>Department of Homeland Security Freedom of Information Act Office Dear Sir/Madam, I am writing to request information about myself under the Freedom of Information Act (FOIA). 2025-HQFO-02899	3/16/2025	Ravnitzky, Michael		I request the following records: a copy of the Agency Reorganization Plan submitted to OMB by the Dept of Homeland Security in February or March 2025 as required by Executive Order 14210 of February 11, 2025, Implementing the President's Department of Government Efficiency Workforce Optimization Initiative.

2025-HQFO-02898	3/16/2025	Sam Ogozalek	<p>Dear Records Access Officer,</p> <p>This letter constitutes a request under the Freedom of Information Act ("FOIA"), 5 U.S.C. § 552, et seq. Pursuant to the FOIA, I request access to and copies of the following records:</p> <p>— The Phase 1 Agency RIF and Reorganization Plan(s) submitted by the Department of Homeland Security to the Office of Personnel Management ("OPM") at <a href="mailto:tracking@opm.gov">tracking@opm.gov</a> and/or the Office of Management and Budget ("OMB") at <a href="mailto:workforce@omb.eop.gov">workforce@omb.eop.gov</a> in response to the following guidance from OPM and OMB directing agencies to do so no later than 03/13/2025: <a href="https://www.opm.gov/policy-data-oversight/latest-memos/guidance-on-agency-rif-and-reorganization-plans-requested-by-implementing-the-president-s-department-of-government-efficiency-workforce-optimization-initiative.pdf">https://www.opm.gov/policy-data-oversight/latest-memos/guidance-on-agency-rif-and-reorganization-plans-requested-by-implementing-the-president-s-department-of-government-efficiency-workforce-optimization-initiative.pdf</a>.</p> <p>Please provide the requested records on a rolling basis as they become available to you without waiting until all of them have been processed.</p> <p>I also request an estimated date of completion. Where possible, please furnish the records in an electronic format, preferably via email to <a href="mailto:sogozalek@politico.com">sogozalek@politico.com</a> and <a href="mailto:transpo-foia@politico.com">transpo-foia@politico.com</a>. 5 U.S.C. § 552(a)(3)(B)-(C). Contact me before attempting to email ZIP files.</p> <p>Be advised that I am a reporter at the POLITICO news organization of Arlington, Virginia, and the purpose of this request is made as part of news gathering and is not for a commercial use. POLITICO is a "representative of the news media" for the purposes of a FOIA fee waiver and therefore may not be charged search and review fees because it "gathers information of potential interest to a segment of the public, uses its editorial skills to turn the raw material into a distinct work, and distributes that work to an audience." <i>Am. Civil Liberties Union v. Department of Justice</i>, 321 F. Supp. 2d 24 (D.D.C. 2004).</p> <p>Disclosure of the requested records is in the public interest because it would likely contribute significantly to public understanding of the Department of Homeland Security's operations and activities and is not primarily in my commercial interest. The records would provide valuable insight into the administration's operations. As such, I request that duplication fees be waived. If there are duplication fees, please notify me before proceeding. Please provide a receipt indicating the proposed charges for each document.</p> <p>If you consider any of these records to be exempt from the FOIA's disclosure requirements, I request that you nonetheless exercise your discretion to disclose and release them. Former Attorney General Merrick Garland in a 2022 memorandum wrote that "[i]nformation that might technically fall within an exemption should not be withheld from a FOIA requester unless the agency can identify a foreseeable harm or legal bar to disclosure. In case of doubt, openness should prevail. Moreover, agencies are strongly encouraged to make discretionary disclosures of information where appropriate."</p>

2025-HQFO-02923	3/17/2025	(b)(6)	<p>Dear FOIA Officer,</p> <p>Pursuant to the Freedom of Information Act (5 U.S.C. § 552), I request access to any and all records, reports, documents, emails, memoranda, incident reports, investigative findings, or any other materials related to the detection, monitoring, or investigation of unidentified drones operating in the airspace over New Jersey and New York from 01/01/2024 to Present.</p> <p>This request specifically includes but is not limited to:</p> <ul style="list-style-type: none"> <li>• Reports of unauthorized or unidentified drone activity.</li> <li>• Correspondence (including emails, internal memos, and reports) between agency officials and external entities regarding drone sightings.</li> <li>• Communications between your agency and other federal, state, or local law enforcement agencies regarding these drones.</li> <li>• Any analyses, assessments, or intelligence briefings related to the drones.</li> <li>• Any audiovisual recordings, radar data, or images related to these incidents.</li> </ul> <p>If any portion of the records is exempt from disclosure, please release any reasonably segregable portions of the records. If this request is denied in whole or in part, please provide a detailed justification for the withholding of records.</p> <p>I am requesting that all records be provided in electronic format, if possible. If there are any fees please inform me prior to processing. As this request concerns matters of public interest and aviation security, I request a fee waiver per 5 U.S.C. § 552(a)(4)(A)(iii).</p> <p>Please confirm receipt of this request and provide an estimated timeframe for processing. If you have any questions or require further clarification, you may reach me at this email.</p> <p>Pursuant to 5 U.S.C. § 552(a)(6)(E) and 28 C.F.R. § 16.5(c)(1)(ii), I request expedited processing of this FOIA request. I am a representative of the news media, and the requested information concerns a matter of urgent public interest—namely, the presence of unidentified drones over New Jersey and New York and any Federal Government activity related to their monitoring, investigation, or response.</p> <p>This issue has broad implications for public safety, aviation security, and national defense, and there is a compelling need for the public to be informed as soon as possible. Given the increasing reports of unauthorized drones in restricted airspace, it is critical that the public understands the nature and scope of these incidents and any actions taken by Federal agencies.</p> <p>Because I am engaged in disseminating information to the public, I satisfy the criteria for expedited processing under the FOIA statute. I respectfully request that this request be prioritized and processed as quickly as possible.</p> <p>Thank you for your prompt attention to this matter.</p> <p>Sincerely, AMS</p>

2025-HQFO-02906	3/17/2025	(b)(6)	<p style="text-align: center;">Dear FOIA Officer,</p> <p>I am formally requesting all records that the Department of Homeland Security (DHS) and its associated agencies have compiled on me under the Freedom of Information Act (FOIA), 5 U.S.C. § 552.</p> <p>Approximately 20 years ago, my ex-husband and ex-best friend provided false information that led to my placement on a government watchlist. Since that time, I have experienced continuous surveillance, harassment, and professional sabotage. Despite these actions, DHS has never contacted me directly to address these allegations. I have learned that DHS and associated agencies have distributed information about me to numerous institutions and companies, yet when I requested information about my status and the reasoning behind these actions, my requests were ignored or denied. I believe this constitutes a violation of my constitutional rights, including:</p> <ul style="list-style-type: none"> <li>•My Fifth Amendment right to due process (I was never given an opportunity to confront allegations against me)</li> <li>•My Fourteenth Amendment right to equal protection under the law</li> <li>•My First Amendment right to seek redress and fair treatment from my government</li> </ul> <p>Given that this information has already been widely released to external parties, there is no legal justification for withholding it from me, the person directly impacted. I request full disclosure of any and all records, reports, and investigative files concerning me, including:</p> <ol style="list-style-type: none"> <li>1. Any documentation regarding my placement on any watchlist, investigation, or surveillance programs.</li> <li>2. Any communications between DHS and third parties (employers, institutions, etc.) that reference me.</li> <li>3. The exact nature of any information or reports that have been distributed to external entities.</li> <li>4. The legal basis for DHS's decision to interfere with my employment and livelihood.</li> </ol> <p>I request that these documents be provided in their entirety without redactions beyond those required by law. If any information is withheld, I expect a detailed explanation of the legal justification for each exemption used.</p> <p>If this request is denied in whole or in part, I request that you provide the statutory basis for the denial and inform me of my rights to appeal. If I do not receive a timely response, I will escalate this matter accordingly.</p> <p>Please respond to this request within the legally mandated 20 business days and confirm receipt of this letter as soon as possible.</p> <p style="text-align: center;">Sincerely,  <div style="border: 1px solid black; padding: 2px; display: inline-block;">(b)(6)</div>  <div style="border: 1px solid black; padding: 2px; display: inline-block;">(b)(6)</div></p>

2025-HQFO-02924	3/17/2025	Keller, Michael	The New York Times	<p>Request descriptionPursuant to the Freedom of Information Act, 5 U.S.C. Section 552 ("FOIA"), I request electronic (if possible) copies of (or access to) the following documents: All transcripts of chats between Edward Coristine, Kyle Schutt, Steve Davis, or Conor Fennessy — who, according to news reports, is a recent employee, appointee or detailee at your agency from the Department of Government Efficiency — and any generative artificial intelligence (AI) system, including but not limited to: Grok by xAI, Gemini by Google, Llama by Meta, Deepseek, Qwen, Claude by Anthropic, ChatGPT by OpenAI, Perplexity and any other large language models by these companies. The records should detail the full conversation including questions and answers. Some AI systems are accessed via the internet whereas others are able to run solely on the user's computer without internet access — so-called "local models." This request applies to records in either scenario. I am a reporter for The New York Times, an accredited and recognized newsgathering organization. I request the Records to inform the public about matters of public concern. RESPONSE TIME FOIA requires that your agency respond to this request within 20 business days. This request is segregable, and your agency may not withhold entire records because of one section that you believe is exempt from disclosure. Under federal law, if you choose to withhold any such parts of the records from disclosure, you must specify in a written response the factual and legal basis for withholding any part of the Records. ESTIMATED DATE OF COMPLETION I respectfully request that you provide me with a reasonably estimated date of completion. See 5 U.S.C. § 552(a)(7)(B)(ii). If the estimated date of completion is being significantly delayed because a portion of the request needs to be processed by another agency, please inform me which agency that is and whether it has provided you with an estimated date of completion. Please produce records on a rolling basis, as they become available. FORMAT OF REQUESTED RECORDS I am further requesting that the Records be provided to me on computer files in the same format as they are currently maintained at the agency, pursuant to <i>Burka v. Dept. of Health &amp; Human Svcs.</i>, 87 F.3d 508 (D.C. Cir. 1996). As you know, providing documents electronically is cheaper than mailing hard copies. Please contact me if I may assist in your office's response to this request. Sincerely, Michael Keller The New York Times (b)(6)</p>
